HOUSTON, TX — We the People Organize would like to thank Mayor Whitmire, Council Member Salinas, and the other Council Members who voted for the proposed Proposition A Ordinance to limit HPD's ICE cooperation. It is more important now than ever to have trust between law enforcement, the community, and the 600,000 undocumented immigrants in the Houston area. We ask the support of the community in our fight demanding Mayor Whitmire and Council Members reopen HPD's Community Affairs Division, which have successfully served HPD and the community for years.
